

WORK FOR BENEFIT OF PLAYGROUNDS

Performance to Be Given at Colonial Under Auspices of the Valentine Mothers' Club.

The Valentine Mothers' Club, under the auspices of which a performance for the public playgrounds will be given at the Colonial Theatre on Tuesday evening, was the first organization of its kind in the city, and has always taken a prominent part in public affairs when the interest of the child has been involved. The officers of the club are Mrs. E. L. Lindsay, of No. 51 North Tenth Street, president; Mrs. C. H. Tompkins, of No. 101 North Tenth Street, secretary; Mrs. Sam Bendum, of No. 203 East Clay Street, treasurer, and Mrs. Morris H. Asher, of No. 503 North Fourth Street, librarian.

Last summer the ladies established a public playground in Central School yard and it is their desire to open as many more as possible this year. The performance to-morrow evening is for the furtherance of the playground movement. The mothers wish to make it plain that the tickets bought for the ladies above-named, or from the points designated below, will yield to the federation a profit in behalf of the playgrounds.

They therefore earnestly request purchasers for Tuesday evening to purchase their tickets as indicated above, from McCarty, at Eighth and Broad streets; "The Auditor," No. 707 East 10th; at Cliff Wells, Fifth and Broad streets; and J. B. Manning, No. 836 1st Main Street.

Paris Paper Claims to Have Evidence of Madame Gould's Marriage.

PARIS, April 18.—The Cri de Paris, which professes to chronicle the doings of the fashionable set of Paris, insists in its issue of to-day that the marriage of Mme. Anna Gould, formerly the wife of Count Boni de Castellane, and Prince Helle de Sagan, his cousin, already has taken place. The paper announced some time ago that this marriage had been celebrated secretly in Germany. To-day it says: "We are now in a position to complete our information. This marriage was celebrated secretly in a little town on our eastern frontier. When in New York Mme. Gould informed her family that her wedding already was an accom-

Strictly Phosphate Baking Powder

All physicians condemn alum baking powder; the alum is a poison. Many physicians criticize it as a tartar, and it is cream of tartar. Physicians and patients are warned to avoid it. It is a deadly pure phosphate baking powder that gives perfect results.

Wise Talks by the Office Boy

The boss told me a man can't be popular with his relatives and his friends unless he wears good clothes. Well, I'm wearing good clothes and I told you that cotton mix duds wouldn't last. Pure wool and the best tailoring are what come in this door, and certainly nothing else can go out of it. The spring suits we sell at \$20 are sure enough the easy Street duds, made by the best New York tailors. Just a couple of little old ten spots gets them, either black or fancy, and they are indeed the live swell suits. They make you look good to yourself, they feel good with the broad square shoulders, the chesty fronts and the hunky backs. The boss says, "Where one fellow judges a man by his face, a hundred read him by his clothes." But the clothes must be good and right. We've other good values from \$7.50 to \$30.
